Dear Fellow ECE,

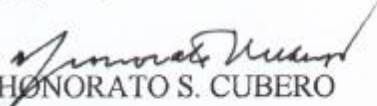

Our organization, IECEP-Davao Chapter is conducting an information dissemination activity to all Electronics and Communications Engineers in Southern Mindanao in particular and other parts of Mindanao in general by way of an orientation seminar entitled “The Implementing Rules and Regulations of Republic Act No. 9292” - an act providing for a more responsive and comprehensive regulation for the registration, licensing and practice of professional electronics engineers, electronics engineers and electronics technicians come 16 February 2008 (Saturday) from 1:00pm to 5:00pm at the 6<sup>th</sup> Flr., Mindanao Kokusai Daigaku, (near Damosa Gateway) Anglionto Ave., Lanang, Davao City.

Resource speakers from the Board of Electronics Engineering will orient participants on pertinent provisions of the Implementing Rules and Regulations (IRR) as to the conversion from Electronics and Communications Engineer to Electronics Engineers and upgrading from Electronics Engineers to Professional Electronics Engineers with or without examination.

Likewise, the National Building Code related to the practice of Electronics Engineering will also be appropriately discussed by the resource speakers to complete our professional roadmap to entrepreneurship. Please see attached “Program of Activities” for you perusal.

Registration fee is Php350 to cover the cost of handouts, food and certificate of attendance. For more information, you may visit <http://iecep-davao.blogspot.com> or call mobile No. 09274831037.

Very truly yours,

  
ENGR. HONORATO S. CUBERO  
Governor  
IECEP – Davao Chapter
